

2019 IEEE INTERNATIONAL WORKSHOP ON

METROLOGY FOR AGRICULTURE AND FORESTRY

CALL *for* DEMONSTRATIONS

 **24-26 OCTOBER 2019**

 **PORTICI – ITALY**
University of Naples Federico II
Department of Agricultural Sciences

The **MetroAgriFor 2019** Conference will have "Live Demonstration" track to allow an interactive and tangible form of presentation, which is quite different from the oral and poster sessions. The demonstrations will be conducted in presentation booths and ample space will be provided to set up a working system, may it be interactive software on a laptop or a hardware setup. Conference delegates are invited to experience the demonstrations directly, to interact with, play with, and challenge them. Presenters will have the opportunity to show direct proof of their working systems and to create a lasting impression. Prospective demonstrations could be either be related to the work that has already been published or the one going to be published during MetroAgriFor 2019.

IMPORTANT DATES

Extended Abstract Submission

July 31, 2019

Notification of Acceptance

August 20, 2019

Final Paper Submission

October 6, 2019

DEMO SUBMISSIONS

Proposals of live demonstrations should submit a one-page description of the demonstration, using the same page formatting as for regular MetroAgriFor papers. In case of demonstration based on already published work, the paper must include a reference to at least one earlier publication.

To submit the one-page description of the proposal, author must follow the guidelines for the Extended Abstract Submission reported in "Initial Author Instruction", selecting the track "Live Demonstration"

In addition, there will be a "Best Demonstration Contest" to recognize the top live demonstration and encourage the participation in the demonstration session.
